)	
SANITARY AND IMPROVEMENT)	
DISTRICT # 425 OF DOUGLAS)	MOTION FOR SHORTENED AND
COUNTY, NEBRASKA,)	LIMITED NOTICE ON MOTION
)	FOR ORDER APPROVING BOND
Debtor.)	ISSUANCE

Come now Sanitary and Improvement District #425 of Douglas County, Nebraska (the "District") and the Official Committee of Unsecured Creditors (the "Committee"), and make this request for shortened and limited notice regarding Motion for Order Approving Bond Issuance. In support of such Motion, the District and the Committee state as follows:

1. The District and the Committee has filed a Motion for Order Approving Bond Issuance (Fil. #90) prior to filing this Motion.
2. The Motion for Order Approving Bond Issuance identifies the resolutions adopted by the Board of Trustees of the District, approving the issuance of bonds contemplated by the Chapter 9 Plan of Adjustment and the Order Confirming the Plan of Adjustment (collectively the "Plan").
3. On August 15, 2007, a hearing will be held in Douglas County District Court to approve issuance of the bonds contemplated in the bond resolutions.
4. Professional institutions not a party to this case and involved in the issuance of the bonds require that the Court issue an order confirming the compliance of the bonds to be issued with the Plan.
5. Each day of delay between approval of the Douglas County District Court and the issuance of the bonds creates additional interest expense of the District, to the detriment of both the District and its creditors. The District has, throughout the course of this case, been in direct communication and contact with the Committee and the Committee representing the unsecured creditors in this case, has been the only party, other than the District, routinely and actively involved in this bankruptcy proceeding.

WHEREFORE, the District and the Committee move this Court for an order: (a) setting a deadline of no later than August 16, 2007, for any objection to the Motion for Order Approving Bond Issuance; (b) limiting notice of the Motion for Order Approving Bond Issuance to the

Committee and any other parties having requested notice in this case via the United States Bankruptcy Court Electronic Document Filing System; and (c) scheduling a hearing, if necessary, on any objection which may be filed as soon as the Court's calendar allows.

Dated this 8th day of August, 2007.
